Merrimack School District  
<http://www.isone.com/~merrpbc>

Minutes  
May 24, 2004

Present: F. Rothhaus, W. Morrison, C. Morrison, T. Koenig, J. Vaillancourt and School Board  
Liaison E. Coburn  
Excused: S. Heinrich

W. Morrison called the meeting to order at 7:36 PM

W. Morrison presented a draft "Traffic and Parking Report" for members to review and revise.

Members agreed to focus on the Mastricola complex. Members felt the Committee needed to know start and dismissal times for the elementary and upper elementary schools as well as whether the upper elementary school main office will be relocated at some future time before any definitive parking lot plans for a bus and kindergarten drop-off and pick-up at both facilities can be made. Parking at the new middle school was discussed relative to the need for a bus lane and student drop-off areas as well as the potential improvements to the traffic congestion on Baboosic Lake Road, especially in the morning. Additional student parking at the high school was discussed as well as ways to prevent cars from interfering with buses at dismissal times.

W. Morrison declared the meeting adjourned at 8:30 PM
