

WELCOME

to our classroom!

Hello Students and families,

I hope everyone is having a wonderful summer! I am Miss Parker, and I will be your fifth grade homeroom teacher! I will also teach math, science, and spelling. I am so excited to meet all of you and have an awesome year!

To fill you in a little more about me, I grew up in Merrimack, attending Mastricola Elementary along with James Mastricola Upper Elementary, so I am so happy to be teaching at my home school! I have my undergraduate degree in Elementary education with a concentration in middle school English teaching. In May 2024, I graduated from an intensive 1 year master's program for special education, where I taught all year as a co-teacher in a fifth grade ELA classroom in Littleton, NH.

I love to read, go to the beach, and spend time with my friends and family. I am one of six, so my siblings are a huge part of my life! As an avid music lover, I attend a lot of concerts and shows when I can. I love any opportunity to travel and experience new things! I am an aunt to two, also known as "mimi" if you ask my niece. I spend most of my time with my family, friends, and of course, my dogs.

Mrs. Trompak will be your ELA and social studies teacher this year. Mrs. Coria and Ms. Moloney will be the other teachers on our team this year. We will get to enjoy lunch and recess together. Welcome to the Yellow Team! 😊

If you have any questions or would just like to say hi, feel free to email me anytime and I will get back to you as soon as I can! It is going to be a great year!

See you soon,

Miss Parker [samantha.parker@sau26.org](mailto:samantha.parker@sau26.org)

**Supply List:** (recommended)
