

Buses

Students will only be picked up at the authorized and designated bus stop that serves their residence. Students will not be allowed to board the school bus unless they are boarding at their assigned stop. All students will be delivered back to their designated bus stop at the close of school each day. Exceptions may only be made in cases of emergencies and after securing written permission from the transportation coordinator at 603-440-2282.

Student Drop-Off

If you need to drop off your child between **8:15 – 8:30 a.m.** (rain or shine), you must turn **RIGHT** and follow the traffic pattern as you reach the end of Lyons Road. When motioned forward by a staff member, please pull forward in the car line and **remain in your car**. Please have your child remain buckled until the car comes to a stop in the car lane. A staff person will assist your student in exiting your vehicle. Upon exiting the car, students will enter RFS through the APR doors and go directly to their classrooms.

Please work out a good-bye routine with your child before getting to the drop off point. It is important for families to have a routine that does not slow the remainder of the car line.

Cars may not use the circular drive at the front of the school in the morning between 8:15- 8:30 a.m. The circle is open only to buses dropping off students.

After 8:30 students are considered **tardy** and **must be escorted into the building by an adult**.

Student Pick-Up

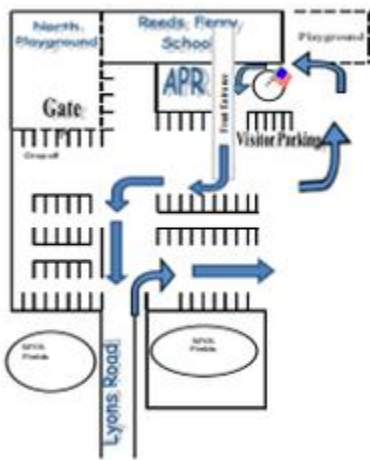

If you are picking up your child at dismissal time, please park in the faculty and visitor parking lot. There is also limited parking on the North Playground hard top. Please only park in designated parking spaces (no grass).

Parents/guardians must walk to the front door, sign in and wait in the APR for their student. We do not allow children to enter the parking area unaccompanied. Please bring an I.D. Students will be dismissed to parents in the All Purpose Room.
