Selecting colleges and applying for admission can be overwhelming. There are applications to be completed, deadlines to meet, essays to write and policies to understand. This session is intended to educate students about the college admission process and is appropriate for high school juniors, but all high school freshmen, sophomores, and juniors are welcome to attend. Topics include: narrowing your list, questions to ask on a college tour, college essay pointers, the application timeline and the basics of financial aid. Attendees will receive The Admissions Insider.
