Required:

- ☐ Attach a recent **writing sample** - an analytical or persuasive essay from your current social studies course that has been graded. If that is not possible, contact the department head for alternatives.
- ☐ Return this completed form to you current (or most recent) social studies teacher, and ask them to complete a Teacher Recommendation Form. (Note: The teacher will then submit this form and their comments about performance, grades, potential, motivation, maturity and organizational skills directly to the department head).
